

Attention Parents of Frankel Jewish Academy

We strongly suggest that you purchase the annual Safeware insurance policy (\$33.00) that will cover the cost of replacing the iPad (\$399.00) due to accidental damage or theft.

* Some exclusions apply as described in Safeware's Commercial Computer Coverage Policy - available at www.frankelja.org

The Safeware Solution

Frankel Jewish Academy partners with Safeware to offer a specialized product that will specifically provide coverage against theft, accidental damage, drops, falls, collisions, broken screens, liquid spills, water damage, vandalism, power surge, fire, and flood. You can have true peace of mind and no longer worry about the out-of-pocket expense in the event of damage or theft.

Yes - I will like to purchase a Safeware insurance policy.
My check/money order made out to **Frankel Jewish Academy** is attached.

Please initial here, indicating you have reviewed [Safeware's Commercial Computer Coverage Policy](#).

No - We waive this opportunity to purchase a Safeware insurance policy and agree to reimburse the school \$399.00 to replace the lost or damaged iPad assigned to my child.

This payment provides coverage for the 2016-2017 school year. The \$33.00 cost covers one iPad. I understand the policy is only valid in the USA. I have read the school Acceptable Use Policy and agree to my choice above.
