MAZEL TOV

to FJA's students, leadership, faculty and staff on the many successes we celebrate this evening. The school continues to realize the dreams of its founders.

PAT ANDERSON:

You have demonstrated extraordinary service to our school. You embody the loving and dedicated spirit of FJA's faculty and staff. Congratulations on this well-deserved recognition. Best wishes in your next chapter!

To everyone who contributed to the Gala:

THANK YOU! I am humbled by the honor and I cherish the opportunity to join together in support of FJA. Let's continue to strengthen this remarkable school - for today's students and for those who will follow.

- DAVID KURZMANN '04

DAVID,

To know you is to LOVE you.

But also, to know you is to know your passions:

- Jewish community
- Israel
- Michigan football
- Most of all, FAMILY!

Thank you for your TIRELESS DEDICATION to our Jewish community! We are grateful to experience first hand, the impact of the Jewish institutions you work so PASSIONATELY to support.

Love, your biggest fans:

KATE, SARI, MICAH AND RAFAEL

High school is the time in a student's life when they begin making the decisions for their future. I could not have been more pleased to greet the families bringing the eager new freshman each year, and watch them grow and mature into the confident seniors they become.

Working with the staff and faculty at FJA over the years has been incredible. Their support in being part of the development of the students, I feel is unmatched. I am honored to have been nominated by them as 2023 Staff Honoree.

FJA will always be a part of me.
Thank you for the years,

PAT

Mom,

**I am so proud of
you for being recognized by
FRANKEL JEWISH ACADEMY.
For 16+ years, you were the face and
voice of the school.
Your DEDICATION and COMMITMENT
to the students is so INSPIRING.
CONGRATULATIONS on your very well
deserved honor.**

HEAD OF SCHOOL

As a rigorous Jewish college preparatory high school, we often think about our students' exemplary achievement. We use terms like "reaching for the stars," "lofty goals," "raising-the-bar," which all allude to the idea that what's most important and desirable is above us. The sentiment that consistent effort to improve will yield advancement and elevation into a heavenly realm is useful. However, it is just as important to fully appreciate the foundation that supports upward growth; it's not just about where we hope to go, but what we build on to get there. After all, you can't construct a stable building without establishing a strong foundation where it can rest securely.

This year, we are privileged to recognize two remarkable individuals who exemplify the relationship between well planted roots and exemplary outcomes. Pat Anderson has been instrumental in enriching the FJA culture, the

fertile soil that supports student growth, for over a decade and a half. Her wisdom, warmth, and devotion provided students with a sense of dependable compassion and care from the time they entered the building as freshman to when they exited as seniors. In 2004, David Kurzmann graduated as a member of Frankel Jewish Academy's first full graduating class. Having spent all four years at FJA, David established a strong foundation, developing and honing the habits, ethics, and values he later put into practice in his communal work. Even just out of college, David exhibited a passion for communal work. He understood communal needs and demonstrated acumen and wisdom at a level rarely found even in long-time community professionals.

At Frankel Jewish Academy, students engage in more than academic achievement: they develop a holistic understanding of who they are - their skills, interests, and talents - and then, with the guidance and support of our nurturing and dedicated educators, form a vision for who they want to be. At FJA our students do more than grow upward, they establish deep roots - a strong Jewish identity and sense of self, critical thinking, a commitment to leading a life based on Jewish values - and establish a foundation on which to build their dreams. These dreams become the bold ambitions of alumni like David, who serve our community and communities around the world.

Thank you to all of our supporters and stakeholders for helping us build the future, one dream at a time.

With gratitude,
RABBI AZARYAH COHEN

DISTINGUISHED ALUMNI HONOREE

DAVID KURZMANN '04

David Kurzmann was a freshman student at the Frankel Jewish Academy when it opened in 2000. A graduate of Hillel Day School, David welcomed the opportunity to continue his Jewish education at FJA and the added excitement of pioneering a new Jewish community institution. Following graduation in 2004, David attended the University of Michigan where he majored in Hebrew and Jewish Cultural Studies and Political Science.

David began his career as part of the founding professional team of the Illinois Holocaust Museum and Education Center in Skokie, IL. Seeking professional growth, in 2011, David moved to the Anti-Defamation League's (ADL) Midwest Office in Chicago where he served as Assistant Regional Director until 2015.

In the summer of 2015, David returned home to Detroit to lead the Jewish Community Relations Council (JCRC). Within a year, he seized an opportunity to combine forces with the American Jewish Committee (AJC). The outcome – JCRC/AJC – united the local community outreach work of JCRC with the global advocacy resources of AJC.

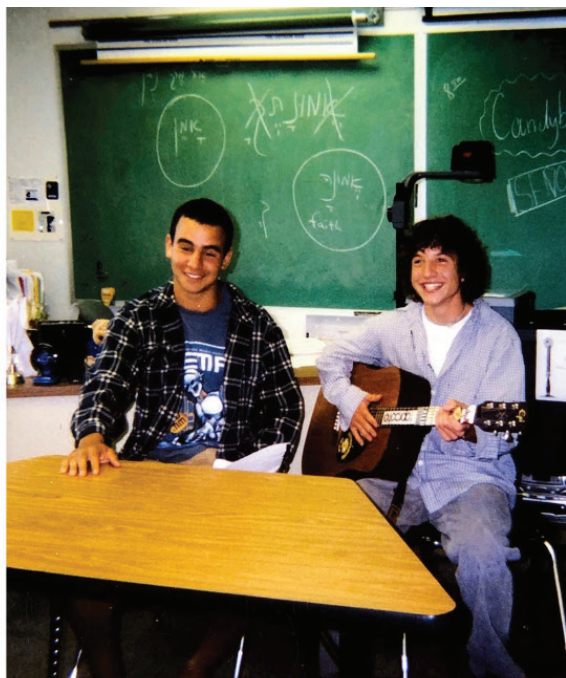

David's service to the Jewish people brought him to the Jewish Federation in 2019 where he is currently Senior Director of Community Affairs. David serves as liaison to Jewish Community Security, Inc (JCSI) and has numerous additional responsibilities in the areas of board governance, government relations, crisis management, and fundraising.

David is a graduate of the Mandel Executive Leadership Program and FBI Citizens Academy. He is a board member of Camp Ramah in Canada and previously served on the boards of the Interfaith Leadership Council and New Detroit.

David and his wife Kate live in West Bloomfield with their three young children – Sari (6), Micah (4) and Rafi (2).

DISTINGUISHED STAFF HONOREE

PAT ANDERSON

Pat Anderson earned an associate degree in computer science from Lewis College of Business. Before FJA, she worked in purchasing for 16 years at Chrysler Corporation. Pat first came to FJA doing janitorial work for a year and a half. In November 2006, her role shifted to receptionist and was there throughout the rest of her time at FJA. For over 16 years, Pat was the voice of FJA and the first friendly face you encountered upon entering the school. Hundreds of students and parents can picture calling the school and hearing her greeting “Shalom, Frankel Jewish Academy, Pat speaking.”

During her time at FJA, Pat became an integral part of the community. Students knew they could stop at her desk throughout the day for a smile, laugh, or bandaid. An alumni visit to the school wasn't complete without catching up with Pat at the front desk. As an avid bowler herself, Pat was the bowling coach for several years, which only strengthened her relationships with FJA students.

In February 2023, Pat retired from FJA. When asked what she misses most, she said “enjoying a full day, watching the sunrise, and the ‘good mornings’ from the students.” Pat said “from day one, it felt like I had been there for years. It was a real personal place to work. I loved the closeness of the school and family feel.”

Pat has left a lasting legacy on the school. The FJA community is stronger and brighter having had Pat at the front desk for over 16 years.

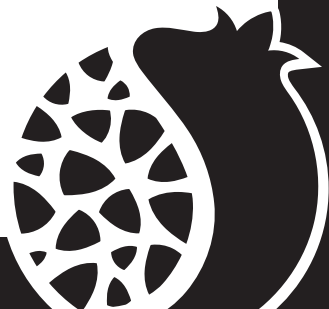

Pat lives in Southfield. She has a son named Stephen and four granddaughters. In her retirement, she plans to enjoy the luxury of sleeping in a little later in the mornings.

CONGRATULATIONS PAT!

You welcomed our kids every day with your warm sense of humor, and often a late pass.

You were the joyful inspiration of the 8-year student government fundraising plan: the green bracelets, #FJAWherePatLovesMe

You knew all the students by name and we parents were grateful for that, along with your peaceful and reliable telephone greeting.

SHORASHIM TUITION GRANTS

The Shorashim Grant program are opt-in grants that help reduce the cost of tuition. These grants are not need-based and are available to everyone.

The goal of the Shorashim Grants is to increase the number of Jewish teens who have access to Frankel Jewish Academy's exceptional education. Cost should not be a limiting factor in one's choice to attend FJA.

What are they?

- Opportunity to help reduce the cost of tuition
- Grants are available at: **\$2,500, \$5,000, or \$10,000**
- Families choose the amount that fits their needs

Who are they for?

Each student who attends FJA is eligible to receive a Shorashim Grant each year

Note:

- For families with multiple students: Shorashim Grants are per student, not per family
- Mid-year transfer students are eligible at a prorated rate
- Students who receive more than \$10,000 in tuition assistance or merit scholarships are NOT eligible

How do we opt in?

Opt in as a part of your **enrollment contract**

What does Shorashim mean?

Shorashim means "**roots**" in Hebrew

FJA is planting Jewish roots in the Metro Detroit

community by educating young Jewish adults to be lifelong leaders

ARLENE AND ASHER TILCHIN

Dear David,

Watching you grow to become a loving husband, compassionate & teaching father and dedicated Jewish community leader has made us all incredibly proud. Your passion for the well being of both the Jewish community and the entire Detroit Metropolitan community as a whole shines through whenever you step into a room, and especially when you pick up the microphone. Your ability to articulate complex and difficult issues facing our families and community into relatable and meaningful lessons is one of your many gifts. We are so excited to watch you and your family continue this journey and see where it leads. Wish we could be there to watch you accept this well-deserved honor.

Love you so much,
Uncle Jason, Aunt Julie, Dorit, Zach and Mya

Dear Pat --

***Thank you for making
