

## Job Posting: Mathematics Instructor

Frankel Jewish Academy, recently ranked as one of the Top STEM schools in the country by Newsweek, is currently seeking a full-time mathematics teacher. Applicants must be prepared to teach a variety of math courses and be certified with an endorsement in Mathematics (EX) or the ability to pursue certification. An additional teaching endorsement is desirable, but not necessary. We are looking for a teacher who is passionate about working with high school students, enthusiastic about the subject matter they teach, and creative in the way that this material is delivered. This full-time teaching position is for the 2024-2025 school year.

Salary range is \$40,000-\$65,000 dependent on experience.

Ideal candidates:

- Have previous high school teaching experience in math.
- Have a strong background in math education.
- Have a valid Michigan secondary teaching certificate or the ability to acquire one.
- Work with Mathematics Department colleagues and other faculty to develop an enriching curriculum that is implemented fully in a manner that is both meaningful and relevant.
- Design and facilitate engaging class lessons and activities.
- Be enthusiastic about continuing to learn and grow in their professional practice.
- Participate in our school's teacher mentoring program.

FJA is a rigorous college preparatory high school pursuing academic excellence and Jewish literacy. The school draws its student body from diverse backgrounds to learn together in an open and tolerant environment that supports Jewish tradition, culture and religious practice. We welcome candidates from all backgrounds and faiths.

FJA offers a warm and supportive working environment and competitive salary and benefits. It provides exceptional, nationally recognized support and mentoring for new teachers, as well as extensive professional development opportunities for all faculty. FJA is a professional learning community where all teachers are expected to be ongoing learners. FJA strongly supports the development and growth of each member of its professional teaching staff. From establishing standards and benchmarks, to coaching web literacy, to providing up-to-date technology to enhance the classroom experience, FJA is committed to hiring and retaining teachers suitable to its mission and to providing the necessary support so that honing one's craft becomes an integral part of a teacher's professional life.

If you are interested in applying for this position, please email your resume, cover letter and references to [employment@frankelja.org](mailto:employment@frankelja.org). In the subject title, please write, "Math Instructor."
